

# Investigative work near the Intersection of Gerard Street East and Carlaw Avenue

Starting as early as July 19, 2022

**What is happening?**

Work crews will be using drill equipment to gather information and evaluate underground conditions.

This information will be used by Metrolinx to determine the construction approach for the project.

## Timing

- **Scheduled start:**  
July 19, 2022
- **Duration:**  
Two (2) days
- **Hours:**  
Approximately 7:00 am to 7:00 pm

## What to expect

- The work crew will be drilling one (1) borehole near the intersection of Gerard Street East and Carlaw Ave.
- Residents and businesses near the work site can expect to hear noise caused by the drill equipment, trucks and other construction equipment related to this work.
- There will be a paid duty officer on-site to help direct traffic
- There will be impacts on traffic, bicycle, and pedestrian traffic, however, this will be mitigated by traffic pylons and barricades.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.
