

HYDROVAC UTILITY DAYLIGHTING AND SEWER INVESTIGATION WORK ON STRANGE ST. BETWEEN EASTERN AVE. AND QUEEN ST E.

Starting May 25th, 2022

What is happening?

To advance design concepts and other structural plans for the Ontario Line, Metrolinx will be using CCTV and Flushing equipment to gather information and evaluate underground conditions. Using this information, Metrolinx will determine construction details for the project.

Timing

Duration:

1 Day

Days:

Wednesday, May 25th.

Work Hours

7.30am to 5.30pm

Locations

- ✓ Strange St.

What to expect

- ✓ Work is scheduled to begin on **May 25th, 2022, at 7.30am**
- ✓ Residents and businesses near the work site can expect to hear noise caused by trucks, including vacuum trucks and other equipment related to this work.
- ✓ Access to properties will be maintained with the help of designate Traffic Control Persons.
- ✓ Please take care when walking near construction areas. Watch for additional signs directing pedestrians as detours may be required.
- ✓ During work hours, some lane and parking reductions may be required. Every effort will be made to minimize disruptions.
- ✓ Work could be rescheduled and delayed due to weather conditions or any unforeseen circumstances.
