

Capturing ambient sound and video information at 1 Leaside Park Dr, 20 Overlea Blvd, and 10-14 William Morgan Dr

Starting as early as October 22, 2021

What is happening?
 Metrolinx will be capturing ambient sound and video information along points in the Ontario Line North segment using handheld video and recording equipment. This will support public information materials being developed for the Ontario Line project.

Timing

- **Work will take place between October 22 and 29**
- **Duration:** Up to 4 hours to capture ambient sound and video
- **Hours:** 6:00 a.m. to 4:30 p.m.

What to expect

- A 1-2-person field crew will capture ambient sound and video information using handheld video and recording equipment at locations along the North segment of the Ontario Line.
- This work includes taking photographs and notes.
- All field crew members will be wearing high-vis vests.
- There will be no noise, pedestrian or traffic impacts.
- Work may be intermittent, delayed or rescheduled due to inclement weather or unforeseen circumstances.

The Ontario Line

 15.6 kilometres of transit service

 Making it faster and easier for hundreds of thousands of people to get where they need to be

Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
