

# Capturing ambient sound and video information in Jimmie Simpson Park

Starting as early as August 31, 2021

**What is happening?**  
 Metrolinx will be capturing ambient sound and video information along the rail corridor using handheld video and recording equipment. This will support public information materials being developed for the Ontario Line project.

## Timing

- Work will take place on a single day either on August 31 or September 1
- **Duration:** Up to 4 hours to capture ambient sound and video
- **Hours:** 6:00 a.m. to 4:30 p.m.

## What to expect

- A 1-2-person field crew will capture ambient sound and video information using handheld video and recording equipment at locations along the rail corridor.
- This work includes taking photographs and notes.
- All field crew members will be wearing high-vis vests.
- There will be no noise, pedestrian or traffic impacts.
- Work may be intermittent, delayed or rescheduled due to inclement weather or unforeseen circumstances.

## The Ontario Line

15.6 kilometres of transit service

Making it faster and easier for hundreds of thousands of people to get where they need to be

Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
