

Demolition at 50 Village Station Road to get ready for MSF early works

Starting as early as June 1st, 2022

What is happening?

Metrolinx will be demolishing existing structures and preparing the site at 50 Village Station Road for upcoming construction activities.

Timing

- **Scheduled start:** June 1, 2022
- **Duration:** Up to six weeks
- **Days:** Monday-Friday
- **Hours:** 7 a.m.- 7 p.m.

What to expect

- Preparatory activities to get ready for construction at the future MSF area are continuing with the demolition of existing structures on the property.
- The work area will be inaccessible and protected by construction fencing to ensure the safety of the public.
- Residents and businesses near the work site can expect to hear noise caused by trucks and other construction equipment. No impact on pedestrians, traffic/road access or GO service is expected.
- Additional early works construction details and timing will be shared as plans proceed.
- We will coordinate work to ensure GO customer impacts are kept to a minimum, including completing work during off-peak hours and ensuring that there are always accessible paths.

The Ontario Line

15.6 kilometres of transit service

Making it faster and easier for hundreds of thousands of people to get where they need to be

Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
