

# Environmental Site Assessment at Don Yard

Starting as early as March 7, 2022

**What is happening?**  
 Metrolinx will be using small drill rigs and trucks to gather information and evaluate underground conditions. Using this information, Metrolinx can determine the construction approach for this project.

## Timing

- **Scheduled start:** March 4, 2022
- **Duration:** One week
- **Days:** Weekdays
- **Hours:**
- March 4 only (utility locates): 9:00 a.m.-6:00 p.m.
- March 7 onward (drilling, etc.): 8:30 a.m.-6:00 p.m.

## What to expect

- A Phase Two Environmental Site Assessment (ESA) will be completed in the Don Yard near Corktown Common and on Toronto Region Conservation Authority (TRCA) lands.
- Work will include locating utilities, investigative drilling and installation of monitoring wells, well development and groundwater monitoring and sampling.
- Residents and businesses near the work site can expect to hear noise caused by a drill rig, trucks and other construction equipment.
- No impacts to pedestrians are anticipated, as all work will take place within the property limits.
- Work equipment may be left on-site until work is completed.

## The Ontario Line

15.6 kilometres of transit service

Making it faster and easier for hundreds of thousands of people to get where they need to be

Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
