

Geotechnical work along Don Mills Rd in the vicinity of Eglinton Ave East

Starting as early as November 8, 2022

What is happening?

To advance design work, crews will be using a hydrovac and backfill trucks to gather information and evaluate underground conditions.

Timing

- **Scheduled start:** November 8, 2022
- **Duration:** 21 days
- **Day(s):** Monday to Friday
- **Hours:** 9:00am to 4:00pm

What to expect

- Crew will use one truck drill and two service trucks to carryout work.
- Drilling will be advanced every 30minutes.
- Residents and businesses near the work site can expect to hear noise caused by a drill rig and other construction equipment related to this work. Every effort will be made to minimize disruptions.
- Please take care and watch for signs directing pedestrians when walking near construction areas.
- There will be a Paid Duty Officer on site
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.
