

Investigative drilling work at Gertrude Place & Muriel Avenue

Starting as early as November 11, 2021

What is happening?
 Metrolinx will be using a small drill rig and truck to gather information and evaluate underground conditions. Using this information, Metrolinx can begin to determine the construction approach for this project.

Timing

- **Scheduled start:** November 11, 2021
- **Duration:** Up to four weeks
- **Days:** Monday-Friday
- **Hours:** 8:30 am to 4:30 pm

What to expect

- Residents near the work site may hear noise caused by the drill rig and truck, and other construction equipment related to this work.
- Access to driveways will be maintained, with a flag person directing traffic. Every effort will be made to minimize disruptions.
- **During drilling activity, at least 2 parking spots or the equivalent area will be occupied at the work site, including overnight.**
- Work equipment may be left on-site until work is completed. Please take care and watch for signs directing pedestrians when walking near construction areas.
- Periodic short-duration site visits to conduct sampling will be conducted after drilling concludes. There will be no noise, traffic, parking or pedestrian impacts associated with this follow-up work.
- Work may be delayed or rescheduled due to inclement weather or unforeseen circumstances.
