

# HydroVac Daylighting & Bridge Drainage Investigation between Eastern Avenue and Pape Avenue

Starting as early as October 22, 2021

**What is happening?**  
 To advance design concepts and other structural plans for the Ontario Line, Metrolinx will be using a vacuum truck as well as flushing and CCTV trucks to gather information and evaluate underground conditions. Using this information, Metrolinx will determine construction details for the project.

## Timing

- Scheduled start as early as:
- Oct 22, 2021** at red work area for 7 work days
  - Oct 25, 2021** at blue work area for 7 work days
  - Oct 25, 2021** at green work area for 8 work days
  - Oct 25, 2021** at orange work area for 10 work days
  - Oct 25, 2021** at brown work area for 11 work days

## What to expect

- Work is scheduled from October 22, 2021 and last until November 10, 2021.
- Work will occur between 7 a.m. and 7 p.m from Monday to Friday.
- Crew of two people will be opening manholes and catchbasins to clean them with flush truck and collect accurate data on pipes. CCTV crew will use robotic equipment to record pipe conditions. Another crew uses surveying equipment to take measurements of the utility locations.
- Residents and businesses near the work site can expect to hear noise caused by trucks, including vacuum trucks and other equipment related to this work.
- Crews will avoid entering private property to the extent possible and will work from municipal plans. Access to properties will be maintained at all times through at least one driveway.
- Please take care when walking near construction areas. Watch for additional signs directing pedestrians as detours may be required.

## The Ontario Line

- 15.6 kilometres of transit service
- Making it faster and easier for hundreds of thousands of people to get where they need to be

- Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
