

# Hydrovac test pits in the vicinity of Pape Ave and Danforth Ave

Started August 22<sup>nd</sup>, 2022

**What is happening?**  
 Metrolinx will be using hydrovac trucks to gather information and evaluate underground conditions. Using this information, Metrolinx can determine the construction approach for this project.

## Timing

- **Scheduled start:** August 22, 2022
- **Days:** Weekdays (Additional notice will be provided in cases where weekend work is required)
- **Hours:** Timing will vary from daytime to overnight (Additional notice will be given for overnight work)

**Impacted Areas**  
 680 Danforth Ave  
 1 Lipton Ave  
 26 Lipton Ave  
 751 Pape Ave  
 757 Pape Ave  
 15 Gertrude Place

## What to expect

- Residents and businesses near the work site can expect to hear noise caused by trucks and other construction equipment.
- The lanes closest to the curb will be closed.
- To identify locates, there will be some paint markings and staking.
- Work will take place at several locations in the same general vicinity.
- A paid duty officer will be on site to redirect traffic. Pylons and barricades will be set up to provide barriers between pedestrians and cyclists, and traffic.
- Equipment will be cleared at the end of every shift.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.
- Updates will be communicated to the public once they become available

## The Ontario Line

-  15.6 kilometres of transit service
-  Making it faster and easier for hundreds of thousands of people to get where they need to be

-  Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
