

Hydrovac test pits along Don Mills Road between Rochefort Drive and Green Belt Drive

Starting as early as September 27th, 2022

What is happening?

MetroInx will be using hydrovac trucks to gather information and evaluate underground conditions. Using this information, MetroInx can determine the construction approach for this project.

Timing

- **Scheduled start:** September 27, 2022
- **Estimated Completion Date:** November 4, 2022
- **Days:** Monday-Friday (Excl. statutory holidays)
- **Hours:** Approximately 10:00am to 3:00pm

What to expect

- Residents and businesses near the work site can expect to hear noise caused by trucks and other construction equipment.
- At any given time, crews will be occupying one lane either closest to the curb or sometimes the middle lane depending on where the test pits are required.
- To identify locates, there will be some paint markings and staking.
- A paid duty officer will be on site to redirect traffic. Pylons and barricades will be set up to provide barriers between pedestrians, cyclists, and traffic.
- Equipment will be cleared at the end of every shift.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.

The Ontario Line

15.6 kilometres of transit service

Making it faster and easier for hundreds of thousands of people to get where they need to be

Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
