

Hydrovac test pits near the intersection of Pape Ave and Danforth Ave

Starting as early as August 29th, 2022

What is happening?
 Metrolinx will be using hydrovac trucks to gather information and evaluate underground conditions. Using this information, Metrolinx can determine the construction approach for this project.

Timing

- **Scheduled start:** August 29, 2022
- **Duration:** Three (3) days
- **Days:** Monday-Wednesday
- **Hours:** 9am to 4pm

What to expect

- Residents and businesses near the work site can expect to hear noise caused by trucks and other construction equipment.
- The lanes closest to the curb will be closed.
- To identify locates, there will be some paint markings and staking.
- A paid duty officer will be on site to redirect traffic. Pylons and barricades will be set up to provide barriers between pedestrians and cyclists, and traffic.
- Equipment will be cleared at the end of every shift.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.

The Ontario Line

-  15.6 kilometres of transit service
-  Making it faster and easier for hundreds of thousands of people to get where they need to be

-  Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
