

# Hydrovac test pits near Don Mills Rd and Overlea Blvd

Starting as early as August 22<sup>nd</sup>, 2022

### What is happening?

Metrolinx will be using hydrovac trucks to gather information and evaluate underground conditions. Using this information, Metrolinx can determine the construction approach for this project.

## Timing

- **Scheduled start:** August 22, 2022
- **Duration:** Twelve (12) days
- **Days:** Mondays-Thursdays (9a.m.-4p.m.)  
Fridays 9am-12pm

### Impacted Streets:

- Don Mills Rd
- Pat Moore Dr
- Overlea Blvd
- Beth Nealson Dr
- Millwood Ave

## What to expect

- Residents and businesses near the work site can expect to hear noise caused by trucks and other construction equipment.
- There will be curb lane closures for all impacted streets and one lane will be closed at a time.
- A paid duty officer will be on site to redirect traffic. Pylons and barricades will be set up to provide barriers between pedestrians and cyclists, and traffic.
- Equipment will be cleared at the end of every shift.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.
