

Hydrovac work along Pape Ave from Sammon Ave to Lipton Ave.

Starting as early as April 14 2022

What is happening?
 To advance design concepts and other structural plans for the Ontario Line, Metrolinx will be using a vacuum truck to gather information and evaluate underground conditions.

Timing

- **Scheduled start:**
 April 14, 2022
 April 19-22, 2022
 April 25-26, 2022
- **Duration:**
 Seven (7) days total
- **Days:**
 Monday to Friday
- **Hours:**
 9:00 am to 4:00 pm

What to expect

- Crews will be using hydrovac trucks to evaluate underground conditions and utility locations.
- Residents and businesses near the work site can expect to hear noise caused by trucks and other equipment related to this work. Every effort will be made to minimize disruptions.
- Spray paint and stakes will be used to mark the locations of underground utilities.
- Any impacts to pedestrians, traffic or transit will be mitigated by having a Paid Duty Officer or pylons and barricades to redirect traffic.
- There will be temporary impacts and diversions for pedestrian access on the opposite sidewalk. When the work on the sidewalk takes place, there will be signs and barricades to direct pedestrian and cyclist traffic.
- Work may be delayed or rescheduled due to inclement weather or unforeseen circumstances.

The Ontario Line

 15.6 kilometres of transit service

 Making it faster and easier for hundreds of thousands of people to get where they need to be

Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
