

Investigative hydrovac work at Corktown Common

Starting as early as March 21, 2022

What is happening?
 To advance design concepts and other structural plans for the Ontario Line, Metrolinx will be using a vacuum truck to gather information and evaluate underground conditions. Using this information, Metrolinx will determine construction details for the project.

Timing

- **Scheduled start:** March 21, 2022
- **Duration:** Two days
- **Days:** Weekdays
- **Hours:** 8 a.m.-5 p.m.

What to expect

- Residents and businesses near the work site can expect to hear noise caused by trucks and other equipment related to this work. Every effort will be made to minimize disruptions.
- There are no expected impacts to traffic, sidewalks or pedestrian access.
- Spray paint and stakes may be used to mark the locations of underground utilities.
- Work equipment may be left on-site until work is completed.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.

The Ontario Line

-  15.6 kilometres of transit service
-  Making it faster and easier for hundreds of thousands of people to get where they need to be

-  Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
