

# Investigative hydrovac work at Gerrard St E and Carlaw Ave.

Starting as early as September 19, 2022

## What is happening?

To confirm locations of all nearby utilities for the Ontario Line, Metrolinx will be using a hydrovac truck to gather information and evaluate underground conditions.

Using this information, Metrolinx will determine construction details for the project.

## Timing

- **Scheduled start:** September 19, 2022
- **Duration:** Two days
- **Days:** Daytime
- **Hours:** 9 a.m. - 4 p.m.

## What to expect

- Residents and businesses near the work site can expect to hear noise caused by trucks and other equipment related to this work. Every effort will be made to minimize disruptions.
- The northbound curb lane on Carlaw Ave will be closed approaching Gerrard St E for the duration of the work.
- There will be temporary impacts and diversions for pedestrian access on the sidewalk. Pylons and barricades will be in place to redirect pedestrians and cyclists during work hours. A Paid Duty Officer will be on-site to direct pedestrian and cyclist traffic.
- Work equipment will not be left on-site outside working hours.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.

## The Ontario Line

15.6 kilometres of transit service

Making it faster and easier for hundreds of thousands of people to get where they need to be

Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
