

# Investigative overnight hydrovac work at Ordnance St & Strachan Ave

Starting as early as September 8, 2022

**What is happening?**  
 To confirm locations of all nearby utilities for the Ontario Line, Metrolinx will be using a vacuum truck to gather information and evaluate underground conditions. Using this information, Metrolinx will determine construction details for the project.

## Timing

- **Scheduled start:** September 8, 2022
- **Duration:** Two nights
- **Days:** Overnight
- **Hours:** 9 p.m. - 5 a.m.

## What to expect

- Residents and businesses near the work site can expect to hear noise caused by trucks and other equipment related to this work. Every effort will be made to minimize disruptions.
- The right lane on Strachan Ave northbound will be closed approaching Ordnance St for the duration of the work.
- Pylons and barricades will be in place to redirect pedestrians and cyclists during work hours. A police officer will be on-site to direct pedestrian and cyclist traffic.
- Work equipment will not be left on-site outside working hours.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.

## The Ontario Line

 15.6 kilometres of transit service

 Making it faster and easier for hundreds of thousands of people to get where they need to be

 Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
