

Overnight temporary crossing installation work in the rail corridor from Eastern Avenue to Logan Avenue

Starting as early as Oct 25, 2021

What is happening?
 Metrolinx will be using trucks to install temporary crossings in the rail corridor. These are needed so Metrolinx can continue geotechnical investigations to determine the construction approach for this project.

Timing

- **Scheduled start:** Oct 25, 2021
- **Duration:** 2 weeks
- **Days:** Sunday-Friday (Night Shift)
- **Hours:** 11 p.m. to 6 a.m.

What to expect

- Residents and businesses near the work site can expect to hear noise and lights caused by trucks and other construction equipment.
- The rail corridor will be accessed from a gate at 10 Thackeray Street which will not affect any parklands.
- There will not be any tree or vegetation removals for this work.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.

The Ontario Line

- 15.6 kilometres of transit service
- Making it faster and easier for hundreds of thousands of people to get where they need to be

- Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
