

Investigative drilling work on 250 Front Street East (Staples)

Starting as early as September 13, 2021

IMPORTANT: Customers and staff with vehicles parked near the work area must move their vehicles before 7 a.m. on September 13

What is happening?
 Metrolinx will be using small drill rigs and trucks to gather information and evaluate underground conditions. Using this information, Metrolinx can begin to determine the construction approach for this project.

Timing

- **Scheduled start:** September 13, 2021
- **Duration:** 4 weeks
- **Days:** Monday to Friday
- **Hours:** 8 a.m. to 4 p.m.

What to expect

- Some parking may be inaccessible during drilling work hours in the corresponding work area. **Customers and staff with vehicles parked near the work area must move their vehicles before 7 a.m. on September 13.**
- Residents and businesses near the work site can expect to hear noise caused by a drill rig, trucks and other construction equipment.
- Work equipment may be left on-site until work is completed. Please take care and watch for signs directing pedestrians when walking near construction areas.
- Periodic short site visits will be completed after the drilling concludes to complete additional testing.
