

Investigative drilling work along Pape Ave., from Riverdale Ave., to Poucher Street.

June 3rd, 2022

What is happening?

To advance design concepts and other structural plans for the Ontario Line, Metrolinx will be using a hydrovac and backfill trucks to gather information and evaluate underground conditions

Timing

- **Scheduled start:** June 3rd, 2022
- **Duration:** One Day
- **Hours:** 9:00 a.m. to 4:00 p.m.

What to expect

- Metrolinx will be using drill rigs to gather samples and evaluate underground conditions of the area.
- To safely carry out this work, a lane closure will be required, and a Paid Duty Officer (PDO) will be on-site to control traffic and direct pedestrians.
- Please take care and watch for signs directing pedestrians when walking near construction areas.
- Staking and spray paintings will be involved, however very effort will be made to minimize disruptions.
- Residents and businesses near the work site can expect to hear noise caused by a drill rig, trucks and other construction equipment related to this work.

The Ontario Line

15.6 kilometres of transit service

Making it faster and easier for hundreds of thousands of people to get where they need to be

Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
