

Investigative drilling work along Pape Ave. and Riverdale Ave.

Starting as early as May 16, 2022

What is happening?

To advance design concepts and other structural plans for the Ontario Line, Metrolinx will be using a hydrovac and a truck mounted drill rig to gather information and evaluate underground conditions

Timing

- **Scheduled start:** May 16, 2022
- **Duration:** Two Weeks
- **Day(s):** Monday-Friday
- **Hours:** 4:00 p.m. to 11:00 p.m.

What to expect

- Residents and businesses near the work site can expect to hear noise caused by a drill rig, trucks and other construction equipment related to this work. Every effort will be made to minimize disruptions.
- Equipment to be brought to site daily.
- Please take care and watch for signs directing pedestrians when walking near construction areas.
- Any impacts to pedestrians, traffic or transit will be mitigated by having a Paid Duty Officer or pylons and barricades to redirect traffic.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.

The Ontario Line

 15.6 kilometres of transit service

 Making it faster and easier for hundreds of thousands of people to get where they need to be

Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
