

Investigative drilling work at Queen Street West and James Street

Starting as early as January 17, 2022

What is happening?
 Metrolinx will be using small drill rigs and trucks to gather information and evaluate underground conditions. Using this information, Metrolinx can begin to determine the construction approach for this project.

Timing

- **Scheduled start:** January 17, 2022
- **Duration:** Up to three weeks
- **Days:** Monday-Friday
- **Hours:** 9:30 a.m.-3:30 p.m.

What to expect

- During construction hours, the east bound curb lane will be closed, and the west bound lane will remain opened. Some traffic delays are expected.
- A paid duty officer will help direct traffic. Every effort will be made to minimize disruptions.
- Residents and businesses near the work site can expect to hear noise caused by a drill rig, trucks and other construction equipment related to this work.
- Work equipment may be left on-site until work is completed.
- Please take care and watch for signs directing pedestrians when walking near construction areas. Watch for additional signs directing pedestrians as detours may be required.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.

The Ontario Line

-  15.6 kilometres of transit service
-  Making it faster and easier for hundreds of thousands of people to get where they need to be

-  Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
