

Investigative hydrovac work on King Street East at Berkeley Street

Starting as early as December 7, 2021

What is happening?

To advance design concepts and other structural plans for the Ontario Line, Metrolinx will be using a vacuum truck to gather information and evaluate underground conditions. Using this information, Metrolinx will determine construction details for the project.

Timing

- **Scheduled start:** December 7, 2021
- **Duration:** Up to three days
- **Days:** Tuesday-Thursday
- **Hours:** 9:00 a.m.-3:30 p.m.

What to expect

- During work hours, some temporary lane reductions will be required. A paid duty police officer will be on site to assist with traffic control.
- There will be temporary impacts and diversions for pedestrian access on the south sidewalk. When the work on the sidewalk takes place, there will be signs and barricades to direct pedestrian traffic.
- Residents and businesses near the work site can expect to hear noise caused by trucks and other equipment related to this work. Every effort will be made to minimize disruptions.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.

The Ontario Line

15.6 kilometres of transit service

Making it faster and easier for hundreds of thousands of people to get where they need to be

Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
