

Investigative drilling work and monitoring well installation on Ordnance Street near Strachan Avenue

Starting as early as November 15, 2021

What is happening?

MetroInx will be using small drill rigs and trucks to gather information and installing a monitoring well to evaluate underground conditions. Using this information, MetroInx can begin to determine the construction approach for this project.

Timing

- **Scheduled start:** November 15, 2021
- **Days:** Monday-Friday
- **Hours:** 7 a.m.-7 p.m.
- **Duration:** Up to eight weeks:
 - November 15-December 3 (every weekday for monitoring well installation)
 - December 6-31 (one weekday per week for monitoring, not including stat holidays)

What to expect

- During construction hours, a single lane closures will be required in the area shown on the map and some traffic delays are expected. The road will be safely and fully reopened at the end of each workday.
- A traffic control person will help direct traffic and maintain a safe two-way traffic flow at all times. A minimum of one lane will be open in each direction. Every effort will be made to minimize disruptions.
- Access to driveways and entrances will be maintained.
- Residents and businesses near the work site can expect to hear noise caused by a drill rig, trucks and other construction equipment related to this work.
- Work equipment may be left on-site until work is completed.
- Please take care and watch for signs directing pedestrians when walking near construction areas. Watch for additional signs directing pedestrians as detours may be required.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.
