

Investigative drilling work on Saulters Street

Starting as early as Mar 29, 2022

What is happening?
 Metrolinx will be using drill rigs to gather samples and evaluate underground conditions of the area.

Timing

- **Scheduled start:** Mar 29, 2022
- **Duration:** 3 days
- **Days:** Monday-Friday
- **Hours:** 7 a.m. to 7 p.m.

What to expect

- Access to and within Saulters St will be maintained, with a flag person directing traffic at the work area.
- Residents and businesses near the work site can expect to hear noise caused by a drill rig, trucks and other construction equipment.
- Work equipment may be left on-site until work is completed. Please take care and watch for signs directing pedestrians when walking near construction areas.
- Periodic short duration site visits to conduct sampling will be conducted after drilling concludes.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.
