

# Overnight investigative hydrovac work on Queen Street in various locations

Starting as early as August 9, 2021

**What is happening?**  
 To advance design concepts and other structural plans for the Ontario Line, Metrolinx will be using a vacuum truck to gather information and evaluate underground conditions. Using this information, Metrolinx will determine construction details for the project.

## Timing

- **Scheduled start:** August 9, 2021
- **Duration:** Two weeks
- **Days:** Monday-Friday
- **Hours:** 9 p.m. to 5 a.m.

*\*Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.*

## What to expect

- **Work is taking place within existing TTC construction zones.** Locations include:
  - Queen Street West and Spadina Avenue
  - Queen Street West and University Avenue
  - Queen Street West and Simcoe Avenue
  - Queen Street East and George Street
- During work hours, some lane reductions may be required, and some traffic delays are expected. Sidewalk reductions may be required, but pedestrian access will be maintained at all times.
- Residents and businesses near the work site can expect to hear noise caused by trucks, including vacuum trucks and other equipment related to this work. Every effort will be made to minimize disruptions.
- Please take care and watch for signs directing pedestrians when walking near construction areas. Watch for additional signs directing pedestrians as detours may be required.

## The Ontario Line

 15.6 kilometres of transit service

 Making it faster and easier for hundreds of thousands of people to get where they need to be

Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
