

## Update: Early Works for the Southern Section of Moss Park

**What is happening?**  
 Metrolinx is conducting various pre-construction activities in the southern section of Moss Park that will prepare the site for the construction of the future Ontario Line Subway station. Please see below for more details.

### Timing

- **Scheduled start:**  
Aug 15, 2022
- **Duration:**  
41 days
- **Days:**  
Weekdays
- **Hours:**  
8 a.m.- 5 p.m.

### What to expect

- Crews continue to conduct pre-construction activities in the southern portion of Moss Park. Work includes:
- **Stage 2 Archaeological Assessment:**
  - Three (3) test trenches are being excavated using a mechanical excavator under the guidance and observation of a licensed archeologist.
  - Crews will excavate and backfill the trenches (in sequential order) and each trench area will be temporarily fenced off for safety.
  - Work equipment may be left on-site until work is complete.
- **Update: A security guard will be on site for the duration of the archeological assessments from 5PM to 7AM Monday to Friday and on weekends 24/7.**
- Work may be delayed or rescheduled due to inclement weather or unforeseen circumstances.  
 Residents and businesses near the work site may hear noise caused by trucks and other construction equipment related to this work.

## The Ontario Line

 15.6 kilometres of transit service

 Making it faster and easier for hundreds of thousands of people to get where they need to be

Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
