

Overnight Investigative drilling work in Corktown Common Park

Starting as early as September 19, 2021

What is happening?
 Metrolinx will be using small drill rigs and trucks to gather information and evaluate underground conditions. Using this information, Metrolinx can begin to determine the construction approach for this project.

Timing

- **Scheduled start:** September 19, 2021
- **Duration:** 4 weeks
- **Days:** Monday to Friday
- **Hours:** 8 p.m to 6 a.m.

What to expect

- **The work area will be barricaded with protective barriers to minimize disruption and ensure the safety of any park users.**
- Residents near the work site can expect to hear noise caused by a drill rig, trucks and other construction equipment.
- Work equipment may be left on-site and completely fenced off until work is completed
- Periodic short site visits will be completed after the drilling concludes to complete additional testing.

The Ontario Line

-  15.6 kilometres of transit service
-  Making it faster and easier for hundreds of thousands of people to get where they need to be

-  Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
