

# Overnight Investigative drilling work near the Logan Avenue Bridge

Starting as early as September 7, 2021

**IMPORTANT: Residents with vehicles parked in the work area need to move their vehicles before 8pm**

**What is happening?**  
 Metrolinx will be using small drill rigs and trucks to gather information and evaluate underground conditions. Using this information, Metrolinx can begin to determine the construction approach for this project.

## Timing

- **Scheduled start:** September 7, 2021 at 9pm
- **Duration:** 8 hours
- **Days:** two nights
- **Hours:** 9:00pm to 5:00am

## What to expect

- Some street parking and bike lanes may be inaccessible during work hours in the work areas. **Residents will need to move their cars in the work area before 8 pm.** Every effort will be made to minimize disruptions.
- Please take care and watch for signs directing pedestrians when walking near construction areas.
- Residents and businesses near the work site may hear noise caused by a drill rig, trucks and other construction equipment related to this work.
- Work equipment may be left on-site until work is completed.
- Work may be delayed or rescheduled due to inclement weather or unforeseen circumstances.
