

Overnight investigative drilling work on Bathurst Street near King Street West

Starting as early as March 14, 2022

What is happening?

Metrolinx will be using small drill rigs and trucks to gather information and evaluate underground conditions. Using this information, Metrolinx can begin to determine the construction approach for this project.

Timing

- **Scheduled start:** March 14, 2022
- **Duration:** Up to 5 weeks
- **Days:** Sunday-Thursday
- **Hours:** 9 p.m. to 5 a.m.

What to expect

- During construction hours, some lane closures will be required in the area shown on the map. Some traffic delays are expected. A paid duty officer will help direct traffic. Every effort will be made to minimize disruptions.
- Residents and businesses near the work site can expect to hear noise caused by a drill rig, trucks and other construction equipment related to this work.
- Work equipment may be left on-site until work is completed.
- Please take care and watch for signs directing pedestrians when walking near construction areas. Watch for additional signs directing pedestrians as detours may be required.
- Periodic short duration site visits to conduct sampling will be conducted after drilling concludes. There will be no noise, traffic or parking impacts associated with this work.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.

The Ontario Line

15.6 kilometres of transit service

Making it faster and easier for hundreds of thousands of people to get where they need to be
