

Overnight investigative drilling work on Queen Street and James Street up to Victoria Street (*Work extended*)

Starting as early as March 28, 2022

What is happening?
 Metrolinx will be using small drill rigs and trucks to gather information and evaluate underground conditions. Using this information, Metrolinx can determine the construction approach for this project.

Timing

- **Scheduled start:** March 28, 2022
- **Duration:** Two weeks
- **Days:** Monday-Saturday
- **Hours:** 7 p.m.-5 a.m.

What to expect

- This work has been extended from an original start date of March 7 due to unforeseen circumstances.
- Work crews will occupy one work site at a time. Work sites on Queen Street West and East will occupy the westbound curb lane. Some traffic delays are expected.
- A paid duty officer and flagging crew will help direct traffic. Every effort will be made to minimize disruptions.
- No impacts to pedestrians or sidewalks are expected.
- Residents and businesses near the work site can expect to hear noise caused by a drill rig, trucks and other construction equipment related to this work.
- No work equipment will be left on-site.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.
