

Overnight hydrovac test pits in the rail corridor located in the Don Yard

Starting as early as Nov 29, 2021

What is happening?
 Metrolinx will be using Hi-Rail hydrovac trucks to gather information and evaluate underground conditions. Using this information, Metrolinx can begin to determine the construction approach for this project.

Timing

- **Scheduled start:** Nov 29, 2021
- **Duration:** One week
- **Days:** Monday-Friday
- **Daytime Hours:** Monday and Tuesday 9am - 6pm
- **Overnight Hours:** Wednesday to Friday from 11pm to 5am

What to expect

- Residents and businesses near the work site can expect to hear noise and lights caused by trucks and other construction equipment.
- Work equipment may be left on-site until work is completed.
- Periodic short duration site visits to conduct sampling will be conducted as well. There will be no noise, traffic, parking or pedestrian impacts associated with this work.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.

The Ontario Line

-  15.6 kilometres of transit service
-  Making it faster and easier for hundreds of thousands of people to get where they need to be
