

Overnight investigative hydrovac work on Adelaide between York and Victoria

Starting as early as May 18, 2022

What is happening?

To advance design concepts and other structural plans for the Ontario Line, Metrolinx will be using a vacuum truck to gather information and evaluate underground conditions. Using this information, Metrolinx will determine construction details for the project.

Timing

- **Scheduled start:** May 18, 2022
- **Duration:** Two days
- **Days:** Weekdays
- **Hours:** 9 p.m.-5 a.m.

What to expect

- Crews are returning to the site to resume work originally started on May 2.
- Residents and businesses near the work site can expect to hear noise caused by trucks and other equipment related to this work, including jackhammering needed to break the road. Every effort will be made to minimize disruptions.
- Please take care and watch for signs directing pedestrians when walking near construction areas. Pylons and barricades will be set up to provide barriers between pedestrians and cyclists, and traffic.
- There will be a paid duty officer on-site to assist with directing traffic.
- Spray paint and stakes will be used to mark the locations of underground utilities.
- Equipment will not be left on-site outside of work hours.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.

The Ontario Line

15.6 kilometres of transit service

Making it faster and easier for hundreds of thousands of people to get where they need to be

Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
