

Overnight investigative drilling work in the rail corridor near Exhibition GO Station

Starting as early as December 13, 2021

What is happening?
 Metrolinx will be using small drill rigs and trucks to gather information and evaluate underground conditions. Using this information, Metrolinx can begin to determine the construction approach for this project.

Timing

- **Scheduled start:** December 13, 2021
- **Duration:** Up to 12 weeks
- **Days:** Sunday (night)-Friday (morning)
- **Hours:** 8 p.m.-6 a.m.

What to expect

- **GO train services will not be interrupted by this work.** Any areas where work is needed on the tracks won't start until all train services are completed.
- Residents and businesses near the work site can expect to hear noise caused by a drill rig, trucks and other construction equipment related to this work.
- Please take care and watch for signs directing pedestrians when walking near construction areas. Watch for additional signs directing pedestrians as detours may be required.
- Work equipment may be left on-site until work is completed.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.

The Ontario Line

-  15.6 kilometres of transit service
-  Making it faster and easier for hundreds of thousands of people to get where they need to be

-  Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
