

# Overnight investigative hydrovac work at Queen Street East and Victoria Street

Starting as early as March 15, 2022

## What is happening?

To advance design concepts and other structural plans for the Ontario Line, Metrolinx will be using a vacuum truck to gather information and evaluate underground conditions. Using this information, Metrolinx will determine construction details for the project.

## Timing

- **Scheduled start:** March 15, 2022
- **Duration:** Two days
- **Days:** Weekdays
- **Hours:** 8 p.m.-6 a.m.

## What to expect

- During work hours, some temporary lane reductions will be required (please see the map above). There will be a paid duty officer on-site to assist with directing traffic.
- Please take care and watch for signs directing pedestrians when walking near construction areas. Watch for additional signs directing pedestrians as detours may be required.
- Spray paint and stakes will be used to mark the locations of underground utilities.
- Residents and businesses near the work site can expect to hear noise caused by trucks and other equipment related to this work. Every effort will be made to minimize disruptions.
- Equipment will not be left on-site outside of work hours.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.

## The Ontario Line

15.6 kilometres of transit service

Making it faster and easier for hundreds of thousands of people to get where they need to be

Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
