

# Overnight investigative subsurface work along Pape Avenue and Danforth Avenue

Scheduled to take place overnight on October 6 and 7, 2021

**What is happening?**  
 Crews will be digging trenches and test pits in sidewalks and roads in order to confirm the locations of underground utilities. Using this information, Metrolinx can begin to determine the construction approach for this project.

## Timing

- **Scheduled dates:** October 6 & 7, 2021
- **Duration:** 2 nights
- **Days:** Monday-Friday
- **Hours:** Overnight from 9pm to 5am

## What to expect

- **Locations:**
  - Pape Avenue at Aldwych Avenue
  - Danforth Avenue between Pape Avenue and Eaton Avenue
- Residents and businesses near the work site may hear noise caused by trucks and other construction equipment related to this work.
- Work is taking place overnight to minimize impacts to traffic and road users. During work hours, some lane reductions may be required, and some traffic delays are expected.
- Sidewalk reductions may be required, but pedestrian access will be maintained at all times. Please take care and watch for signs directing pedestrians when walking near construction areas.
- Work may be delayed or rescheduled due to inclement weather or unforeseen circumstances.
