

Preparatory works at 1 Atlantic Avenue to get ready for Exhibition Station early works

Starting as early as December 7, 2021

What is happening?

Metrolinx will be preparing the site at 1 and 1A Atlantic Avenue for upcoming early works construction activities.

Early works construction will put infrastructure in place to help keep people moving through Exhibition Station during future Ontario Line construction.

Timing

- **Scheduled start:** December 7, 2021
- **Duration:** Up to four weeks
- **Days:** Monday-Friday
- **Hours:** 7 a.m.- 7 p.m.

What to expect

- Preparatory activities will start with site preparation at 1 Atlantic Avenue, including the removal of the existing billboards.
- No impact on pedestrians, traffic/road access or GO service is expected.
- Early works construction will begin in 2022. Some of the first early works will include removing the existing structures at 1 and 1A Atlantic Avenue and opening an existing but unopened tunnel extension and entrance building to ensure uninterrupted access to the station for passengers.
 - Additional early works construction details and timing will be shared as plans proceed.
 - We will coordinate work to ensure customer impacts are kept to a minimum, including completing work during off-peak hours and ensuring that there are always accessible paths.

The Ontario Line

15.6 kilometres of transit service

Making it faster and easier for hundreds of thousands of people to get where they need to be

Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
