

# Overnight Investigative drilling work in the rail corridor from Carlaw Avenue to Jones Avenue

Starting as early as Jan 10, 2022

**What is happening?**  
 Metrolinx will be using small drill rigs and trucks in rail corridor to gather information and evaluate underground conditions. Using this information, Metrolinx can begin to determine the construction approach for this project.

## Timing

- **Scheduled start:** Jan 10, 2022
- **Duration:** 3 weeks (Nights)
- **Days:** Monday-Friday (Night Shift)
- **Hours:** 9 p.m. to 6 a.m.

## What to expect

- Residents and businesses near the work site can expect to hear noise and lights caused by trucks and other construction equipment.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.
- Periodic short duration site visits to conduct sampling will be conducted after drilling concludes.

## The Ontario Line

15.6 kilometres of transit service

Making it faster and easier for hundreds of thousands of people to get where they need to be

Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
