

Investigative drilling work within the Metrolinx rail corridor from Queen Street East to Gerrard Street East

Starting as early as June 24, 2021

What is happening?
 Metrolinx will be using drill rigs and trucks to gather information and evaluate underground conditions. Using this information, Metrolinx can begin to determine the construction approach for this project.

Timing

- Scheduled start:**
June 24, 2021 at the red work area
August 3, 2021 at the blue work area
August 19, 2021 at the pink work area
- Duration:**
3 weeks at the red work area
5 weeks at the blue work area
2 weeks at the pink work area
- Days:** Monday-Friday
- Hours:** 8 a.m. to 5 p.m.

What to expect

- The field crew will access the Metrolinx rail corridor from 383 Eastern Avenue. Permission to enter has been secured with the property owner.
- Residents and businesses near the work site can expect to hear noise caused by a drill rig, trucks and other construction equipment related to this work.
- Work equipment may be left on-site until work is completed.
- Periodic short duration site visits to conduct sampling will be conducted after drilling concludes. There will be no noise, traffic or parking impacts associated with this work.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.

The Ontario Line

-  15.6 kilometres of transit service
-  Making it faster and easier for hundreds of thousands of people to get where they need to be
