

Installation of sewage system monitors along the Thorncliffe Park Drive and Wicksteed areas of the Ontario Line

Starting as early as May 12, 2022

Timing

- **Scheduled start:** May 12, 2022
- **Duration:** One day
- **Hours:** 8 a.m. to 5 p.m.
- **Locations:** 11, 35 & 49 Thorncliffe Park Drive and 205 Wicksteed Drive

What to expect

- Purpose of the installation is to understand how the sewer system behaves during wet weather. Using this information, Metrolinx can determine the optimal construction approach for this project.
- Installation of the monitors will be taking place around manholes and underground in the sewage system. Minimal noise is expected from this work.
- Please take care when walking near construction areas. Watch for additional signs directing pedestrians, as detours may be required.
- There will not be any impacts to traffic or transit.
- Work could be rescheduled and delayed due to weather conditions or any unforeseen circumstances.

The Ontario Line

 15.6 kilometres of transit service

 Making it faster and easier for hundreds of thousands of people to get where they need to be

Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
