

Maintenance of sewage system monitors along the Thorncliffe Park Drive and Wicksteed Drive

Starting as early as May 24, 2022

Timing

- **Scheduled start:** As early as May 24, 2022
- **Duration:** 6 months
- **Hours:** 8 a.m. to 5 p.m.
- **Locations:** 11, 35 & 49 Thorncliffe Park Drive and 205 Wicksteed Drive

What to expect

- To understand how the sewer system behaves during wet weather. Crews will monitor existing monitoring [wetpipes](#).
- Maintenance of the monitors will be taking place around manholes and underground in the sewage system.
- **When maintenance is taking place, fencing will be put in place on sidewalks and portions of sidewalks may be closed.**
- Please take care when walking near construction areas. Watch for additional signs directing pedestrians, as detours may be required.
- **During work hours, some lane reductions may be required, and traffic will be diverted**
- Minimal noise is expected from this work.
- Work could be rescheduled and delayed due to weather conditions or any unforeseen circumstances.
