

Preview Inspections between Exhibition and Osgoode Stations

What is happening?
 Metrolinx will be conducting Preview Inspections at privately owned lands between Exhibition and Osgoode Stations to further construction of the Ontario Line. Inspection activities will include geotechnical, environmental, tree inventory, topographical and utility survey work.

Timing

- **Duration:** Starting as early as September 24, 2021 until December 31, 2021
- **Days:** Monday-Friday
- **Hours:** 8 a.m. – 5 p.m.

What to expect

- A Preview Inspection includes activities such as natural resources investigations, geotechnical investigations, designated substances and hazard surveys and surveying work necessary for the design and construction of Ontario Line.
- Notices have been issued directly to applicable property owners between Exhibition Station and Osgoode Station where Metrolinx requires access to private lands.
- The *Building Transit Faster Act, 2020* (BTFA) requires that 30-days' notice be provided to a property owner, in order to allow time for negotiations to be carried out in good faith to further the work.
- Reasonable efforts will be made by Metrolinx to conduct the Preview Inspection at a date and time that is mutually convenient. If a mutually convenient time is not possible, the Preview Inspection will take place during normal business hours or daylight.
- Every effort will be made to minimize disruptions and expedite work.
- Work may be delayed or reschedule due to inclement weather or unforeseen circumstances.

The Ontario Line

-  15.6 kilometres of transit service
-  Making it faster and easier for hundreds of thousands of people to get where they need to be

-  Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
