

SURVEYING WORK ALONG DE GRASSI ST. AND WARDELL ST.

Starting as early as May 13, 2022

What is happening?
 To advance design concepts and other structural plans for the Ontario Line, Metrolinx will be conducting surveying to gather information and evaluate underground conditions. Using this information, Metrolinx will determine construction details for the project.

Timing

Duration:
 Up to 1 week
Days:
 Monday to Friday
Work Hours
 7am to 5pm

What to expect

- Work is scheduled to begin on **May 13, 2022, at 7am**
- A one or two-person crew will use monitoring and measuring equipment to locate utilities in the field using handheld equipment to note physical location of underground utilities. A second crew uses surveying equipment to take measurements of the utility locations.
- Utilities are located within the public right of way. The limits of the road or sidewalk do not always match up with the limits of the public right of way. At times, utility location markings will be visible on sidewalks.
- Crews will avoid entering private property to the extent possible and will work from municipal plans. Access to properties will be maintained at all times through at least one driveway.
- Every effort will be made to minimize disruptions and expedite work.
- Please take care when walking near construction areas. Watch for additional signs directing pedestrians, as detours may be required.
- Work may be delayed or reschedule due to inclement weather or unforeseen circumstances.

Locations

- ✓ De Grassi St.
- ✓ Wardell St.
