

Survey of Telus Manholes at Logan Avenue

Starting April 07, 2022

What is happening?
 Metrolinx will be conducting surveys of Telus manholes on both sides of the Metrolinx corridor east of Logan Avenue, as well as the location of the Telus utility line crossing the rail corridor.

Timing

- **Scheduled start:** April 07 2022
- **Duration:** 1 day
- **Days:** Thursday
- **Hours:** 8 a.m. to 4 p.m.

What to expect

- Residents and businesses near the work site can expect to see surveyors along the Rail Corridor outlined in red surveying manhole locations outside of the corridor
- Surveying work is non-invasive, and the existing ground will not be disturbed by survey activity. Work will be completed with standard GPS and total station equipment.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.

The Ontario Line

-  15.6 kilometres of transit service
-  Making it faster and easier for hundreds of thousands of people to get where they need to be

-  Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
