

# **\*Updated\*** Hydrovac test pits along Overlea Boulevard and Thorncliffe Park Drive

Starting as early as May 24, 2022

**What is happening?**  
 Metrolinx will be using hi-rail hydrovac trucks to gather information and evaluate underground conditions. Using this information, Metrolinx can determine the construction approach for this project.

## **Timing**

- **Scheduled start:** May 24, 2022
- **Duration:** Up to two weeks
- **Days:** Monday-Friday
- **Hours:** 8a.m.-4p.m.

## **What to expect**

- Please note that the notice for this work has been updated to reflect a change in duration. This work is now expected to finish by June 3.
- Residents and businesses near the work site can expect to hear noise and lights caused by trucks and other construction equipment.
- A paid duty officer will be on site to redirect traffic. Pylons and barricades will be set up to provide barriers between pedestrians and cyclists, and traffic.
- Work equipment may be left on-site until work is completed.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.

## The Ontario Line

-  15.6 kilometres of transit service
-  Making it faster and easier for hundreds of thousands of people to get where they need to be

-  Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
