

***Updated* Overnight** investigative drilling work on Bathurst Street near King Street West

Initial start date: March 14, 2022 | Work resumed: April 24, 2022

What is happening?
 MetroInx will be using small drill rigs and trucks to gather information and evaluate underground conditions. Using this information, MetroInx can begin to determine the construction approach for this project.

Timing

- **Scheduled start:** March 14, 2022
- **Scheduled end:** May 26, 2022
- **Days:** Sunday-Thursday
- **Hours:** 9 p.m. to 5 a.m.

What to expect

- Work began initially on March 14 and was paused due to equipment availability and unforeseen technical challenges. Work resumed on April 24 and is expected to end on May 26.
- During construction hours, some lane closures will be required in the area shown on the map. Some traffic delays are expected. A paid duty officer will help direct traffic. Every effort will be made to minimize disruptions.
- Residents and businesses near the work site can expect to hear noise caused by a drill rig, trucks and other construction equipment related to this work. Work equipment may be left on-site until work is completed.
- Please take care and watch for signs directing pedestrians when walking near construction areas.
- Periodic short duration site visits to conduct sampling will be conducted after drilling concludes. There will be no noise, traffic or parking impacts associated with this work.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.

The Ontario Line

15.6 kilometres of transit service

Making it faster and easier for hundreds of thousands of people to get where they need to be

Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
