

Utility Locating at Moss Park

Starting as early as April 22, 2022

What is happening?

MetroLinx will be conducting utility locating work for one day in the highlighted area of Moss Park. Crews will be marking utility locations with spray paint.

This work will not cause any impact or delays on traffic or other transit in this area. This work will aid in the construction process for Moss Park station.

Timing

- **Scheduled start:** April 22, 2022
- **Duration:** one day
- **Days:** Weekdays
- **Hours:** 8 a.m. – 6 p.m.

What to expect

- The work crew will be locating and marking utility locations in the highlighted area of Moss Park, as they relate to upcoming Ontario Line station construction.
- Locating buried utilities in the area prior to construction removes the possibility of damaging the utilities during construction, which could cause delays for repairs.
- The work crew will be locating buried utilities with handheld ground-penetrating radar (GPR) devices. Located utilities will be marked with spray paint on the ground.
- The work crew will complete this work in one day during the specified hours between 8 a.m. and 6 p.m.
- No impact on pedestrians, traffic or road access is expected for the duration of this work.

The Ontario Line

 15.6 kilometres of transit service

 Making it faster and easier for hundreds of thousands of people to get where they need to be

Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
