

Surveying in King and Bathurst area

June/July 2022

What is happening?
 Crews will be using tripods, standard survey equipment, paint, and shovels to conduct survey work and identify accurate property boundaries.

Timing

- **Scheduled start:**
June 2022
- **Duration:**
Approximately 19 days
- **Days:**
Monday to Friday
- **Hours:**
7am-7pm
- **Impacted Streets**
 - Bathurst Street
 - King Street West
 - Wellington Street

What to expect

- Crews will be using tripods, standard survey equipment, paint, and shovels to conduct survey work and identify accurate property boundaries. **This may include uncovering and unearthing property markers that define lot boundaries.**
- At times, utility location markings will be visible on sidewalks, driveways, and lawns. **Paint markings may be used to mark locations of found or set property markers.**
- Any missing legal monuments will be installed. Crews will hand dig at locations prior to installing bars or use plastic bars as a safety measure to avoid damaging any underground infrastructure or utilities.
- **Adjacent properties may need to be accessed and legal monuments dug up and uncovered to confirm and establish property boundaries.**
- GPS or total station surveys will be performed on these monuments to tie them into the network.
- Every effort will be made to minimize disruptions and expedite work.
- Please take care when walking near survey areas. Watch for additional signs directing pedestrians, as detours may be required.
- Work may be delayed or reschedule due to inclement weather or unforeseen circumstances
