

# GO Bus Platform Relocation Project at Scarborough Town Centre

July 19, 2022

## OVERVIEW

A new on-street GO Transit bus stop will be built in Scarborough Centre along Borough Drive, west of Scarborough Town Centre. This bus stop will replace the existing GO bus location at TTC Scarborough Centre Terminal. The temporary bus stop will be in service from fall 2022 until approximately 2030 when the new, permanent bus terminal constructed as part of the Scarborough Subway Extension, is anticipated to open.

## What to Expect

- Construction crews are expected to begin work in preparing the new platforms as early as mid-July and be completed by late September.
- Crews will mobilize equipment starting as early as Thursday, July 20 and will begin work the week of July 25<sup>th</sup>.
- Work will occur during daytime hours, Monday to Friday, from 7:00am to 4:00pm. Weekend and overnight work may occur when required.

## How you will be affected

- Construction will take place on the west side of Borough Drive, close to the Hudson's Bay entrance.
- **The sidewalk on the east side of Borough Drive and the northbound curb lane will be closed during construction of the bus platforms. Pedestrians will be re-routed to use Brimley Road.**
- Borough Drive will remain open to vehicular traffic; however, it will be reduced to one lane northbound.
- To ensure safety during construction, signage will be in place to redirect pedestrians to Brimley Road. Drivers, cyclists and pedestrians are asked to always obey construction signage to keep everyone safe.
- Nearby residents may experience noise/dust from the operations of machinery within work hours following municipal guidelines.
- Access to and from Scarborough Town Centre will be maintained at all times.

## How to keep informed

For more information on this project, please refer to the STC Bus Platform Relocation webpage that can be found [here](#), or view the recorded [virtual open house](#) meeting from October 2021. We invite your questions and/or comments regarding our work via Metrolinx Engage website or by contacting us [torontoeast@metrolinx.com](mailto:torontoeast@metrolinx.com).

Community Relations encourages all residents to subscribe to our weekly Toronto East Regional e-Newsletter. Please scan the QR code herein and select Toronto East Region from the menu.
