

# Utility Relocation on Finch Avenue East from Wayside Avenue to Brimley Road

Beginning mid-September 2021

## What work is taking place?

To accommodate construction of the new SmartTrack Finch-Kennedy GO Station, Rogers Communications is required to relocate fibre and coaxial network lines on Finch Avenue East between Wayside Avenue and Brimley Road.

These cables are integral to the Rogers network feeding your area and must be re-routed to ensure the continued delivery of high-quality and reliable service.

## What is SmartTrack?

SmartTrack is bringing five (5) new GO stations to Toronto, leveraging roughly 40 km of Metrolinx's pre-existing GO rail corridors within Toronto. The new SmartTrack Finch-Kennedy GO station will be located along the Stouffville Rail Corridor, at Finch Avenue East, between Kennedy Road and Midland Avenue.

SmartTrack is a collaboration between the Province of Ontario, City of Toronto, and Metrolinx that will transform heavy rail infrastructure in Toronto from a regional commuter service into an urban rapid transit network, expanding your local network, creating new possibilities, and bringing you improved access to locations across the city.

## TIMING

- Work is scheduled to start in mid-September 2021 and will last approximately six (6) weeks.
- Work will generally occur between 7 a.m. and 5 p.m., Monday to Friday.
- Work could be rescheduled and delayed due to weather conditions or other unforeseen circumstances.

## TRAFFIC DETAILS

- Lane reductions will be required on Finch Avenue East between Wayside Avenue and Brimley Road.
- Watch for slow moving vehicles entering and exiting work areas.
- Remember to reduce your speed when approaching construction and lane reductions.

## WHAT TO EXPECT?

- Every effort will be made to minimize disruptions.
- Access to properties will always be maintained through at least one driveway or with the assistance of a Traffic Control Person.
- Residents and businesses near the work site can expect to hear noise caused by trucks, excavators, backhoes, and other construction equipment related to this work.

## TRANSIT DETAILS

- Due to lane reductions along Finch Avenue East, delays can be expected on TTC routes (39 Finch East, 939 Finch Express, 339 Finch East Blue Night, and 57 Midland)
- Visit Toronto Transit Commissions website [ttc.ca](http://ttc.ca) for transit for bus service information.
- Watch for additional signs directing passengers at bus stops as boarding areas may be relocated.

## PEDESTRIAN DETAILS

- Please take care when travelling near construction areas and watch for additional signs directing pedestrians as detours may be required.
- Clear and defined walking paths will be maintained during construction to ensure pedestrian safety.

## PROPERTY DETAILS

- Please ensure any personal belongings, such as signs, benches and underground sprinklers on city-owned land have been relocated prior to the beginning of construction.
- For details on your property boundaries, please refer to your land survey, or consult an Ontario Land Surveyor.

## CONTACT US

- We recognize that we are building transit in a residential area, and that you may have questions or need to get in touch as work progresses.
- Metrolinx has a dedicated community relations team in place to work with residents in Toronto East.
- We are available to answer your questions at: [TorontoEast@metrolinx.ca](mailto:TorontoEast@metrolinx.ca) or 416-202-3900
- Email us to request to sign-up for our Toronto East GO Expansion e-newsletter.
- Follow us on Twitter @GoExpansion for project updates.

## YOUR ROGERS SERVICE

- For more information about your Rogers service, please contact their General Inquiries line at 1-888-764-3771, or visit their website at: <https://www.rogers.com/contact>
